Investing in Government Bonds of Victoria as Complying Investments for Significant Investor visas

Government Bonds of Victoria (**Government Bonds**) are issued by the Treasury Corporation of Victoria as Complying Investments under the Significant Investor visa stream of the Department of Immigration and Border Protection (**DIBP**), where a 188C visa have been offered by DIBP.

About this publication

This publication was last revised in May 2014. It comprises 4 parts:

- Part A: Terms and Conditions
- Part B: Application Instructions
- Part C: TCV Application Form
- Part D: TCV Transfer Form

Please read this publication carefully before applying for Government Bonds as a Complying Investment and keep Parts A & B for future reference.

If you wish to proceed with an investment in Government Bonds, you will need to complete the enclosed TCV Application Form (Part C) and TCV Transfer Form (Part D) as instructed. We suggest you keep a copy of both forms once completed.

This publication is for applicants who intend to apply for the Significant Investor visas within the Business Innovation and Investment (Provisional) (Subclass 188) visa and the Business Innovation and Investment (Permanent) (Subclass 888) visa.

This publication is not intended to be a prospectus or other disclosure document for the purposes of the *Corporations Act 2001* (Cth) and is not intended to be and does not constitute an invitation by TCV for applications to subscribe for or buy any Government Bonds or offer any Government Bonds for subscription or purchase.

This publication may not be distributed by anyone in any jurisdiction in which such distribution is not authorised.

In particular, this publication will not be registered under the US Securities Act of 1933 and may not be offered, sold or resold within the United States or to, or for the account or benefit of, US Persons (as defined in Regulation S under the Securities Act) unless in accordance with an appropriate exemption under US law. Your access to this publication is on the condition that you are not a resident of the US or located in the US and that you are not breaching any laws, rules, directives, regulations or any other restrictions in any jurisdiction and, in particular, the restrictions in relation to the United States.

Part A: Terms and Conditions

About Treasury Corporation of Victoria

Treasury Corporation of Victoria (**TCV**) was established as a statutory authority under the *Treasury Corporation of Victoria Act 1992* and began operating on 1 January 1993. TCV is the central authority for the issuance of all Government guaranteed debt in the State of Victoria.

About Government Bonds

Government Bonds are Inscribed Stock issued by TCV under the *Borrowing and Investment Powers Act 1987* and are governed by the *Borrowing and Investment Powers (Stock, Bonds and Debentures) Regulations 2007* (Regulations). Each Bond is a direct debt obligation of TCV. With Government Bonds, payment of your interest and repayment of your principal investment upon maturity is guaranteed by the Government of Victoria.

About the Registry

The Bonds Registry is currently kept for TCV by Computershare Investor Services Pty Ltd (the Registrar) at 452 Johnston Street, Abbotsford, Victoria. The Registry is evidence of ownership of the Bonds. Inspection of the Registry is available during usual office hours. Inspection rights are limited to your own holdings.

About Complying Investments

Complying Investments for the Significant Investor visa include the following 3 investment categories:

1. Commonwealth, State or Territory government bonds
2. Australian Securities and Investment Commission (**ASIC**) regulated managed funds with a mandate for investing in Australia; and
3. direct investment into Australian proprietary companies.

Government Bonds issued by TCV are deemed acceptable by DIBP under the first category. You can only apply for Government Bonds after you have been advised in writing to do so by the DIBP office processing your visa application and/or by the Victorian Department of State Development, Business and Innovation (**VicDSDBI**).

There are specified investment requirements for Complying Investments. You should obtain and read the latest information from DIBP and the VicDSDBI.

TCV **cannot** provide investment advice to you. This publication is not intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by TCV or the Victorian Government that any recipient of this publication should purchase the Government Bonds.

You should seek qualified independent investment advice before making an investment.

Persons intending to purchase Government Bonds should:

- determine for themselves the relevance of the information contained in this Information Booklet and their interest in purchasing the Bonds should be based upon such investigations, as they consider necessary;
- consult their own tax advisers concerning the application of any tax laws applicable to their particular situation.

Who can invest in Government Bonds as Complying Investments for Significant Investor visas?

Government bonds may be inscribed in the names of up to four persons. Government Bonds for Significant Investor visas must be inscribed in the name/s of the applicant or together with the applicant's spouse or de facto partner. A holding inscribed in more than one name will be held by those persons as joint owners. However, the first person named on the TCV Application Form will be the recipient of any interest payments and principal repayments by cheque and the recipient of other documents, unless the Registrar is instructed to pay or correspond in joint names.

All applicants must sign the Application personally and be aged 18 years or more at the date of application. TCV does not accept applications for Government Bonds from companies or trusts.

Source of investment funds

To qualify as a Complying Investment, it is a DIBP requirement that funds used to finance your Government Bonds must be personally owned, unencumbered and must have been accumulated legally as a result of your business and/or investment activities.

What is the minimum investment amount?

The minimum investment amount is \$1.5 million. You must maintain at least \$1.5 million with TCV throughout the life of the bonds.

If you want your initial investment amount to match the entire Complying Investment requirement, the minimum investment amount is \$5 million.

Please ensure your paying bank does not deduct any fees for transfer from the investment amount – **otherwise your application cannot be processed.**

Can funds be withdrawn from Government Bonds?

You are only permitted to withdraw some or all of your Government Bonds if you meet the following criteria:

- You can withdraw after the date of the **second** interest payment to you,
- You can withdraw a minimum of \$1.5 million at a time,
- You must withdraw the full amount, if your investment amount falls below \$1.5 million.

If all funds are withdrawn and the bond closed, you will **no longer** be eligible to reinvest in TCV Government Bonds as Complying Investments.

On request, TCV will buy back your Government Bonds at a price determined by us using the Reserve Bank of Australia bond pricing formula. In summary, the buy back price is based on:

- the initial invested amount of the Government Bonds being bought back;
- the Maturity Date of the Government Bond being bought back;
- the Interest Rate applicable to the Government Bond being bought back; and
- the prevailing market interest rates at the time the Government Bond is being bought back.

This means that the price which we will buy back the Government Bond under this buy back offer may be more or less than the amount of your original investment.

For example, the amount received on a buy back may be:

- less than the original principal investment (a loss) where the prevailing interest rates at the time of the buy back are higher than the interest rate which is payable on the Government Bond being bought back; or
- greater than the original principal investment (a gain) where the prevailing interest rates at the time of the buy back are lower than the interest rate which is payable on the Government Bond being bought back.

This gain or loss may have tax implications for you.

How do I withdraw funds from Government Bonds?

You will need to follow the following steps:

Step 1 – obtain a quote for the buy back of your Government Bond by contacting the Bond Registrar (see Contacts on page 3). You should make sure you have all the details of the Government Bonds you wish to sell back to TCV (ie: Investor Number and Loan Number).

Step 2 – after obtaining a quote, if you wish to proceed with the buy back, you should complete a Sale Form and send it to the Bond Registrar. You should make sure you

obtain the quote with enough time to ensure you can complete and lodge the Sale Form with the Bond Registrar at least 7 days before the nearest specified interest payment date.

Can I re-invest in Government Bonds?

You can only re-invest in Government Bonds if you:

1. are an existing bond holder of Government Bonds (with minimum amount of \$1.5 million); and
2. are the holder of a Business Innovation and Investment (Provisional) (subclass 188C) visa.

The Government Bonds available for re-investment are subject to the following conditions:

- I. You may only re-invest in a Government Bond with a one year maturity;
- II. You are not be permitted to withdraw your Government Bonds before maturity; and
- III. You must re-invest a minimum of \$1.5 million at a time.
- IV. You must complete Section 3 – Investment Details, Section 5 – Acknowledgment and Signature and Part D: TCV Transfer Form, and submit these forms with the Registrar no less than 14 Business Days before the maturity date.

Can Government Bonds be transferred?

You will not be permitted to transfer your Government Bonds before maturity. To qualify as a Complying Investment, it is a requirement that you must remain as the holder of the Government Bonds.

A person becoming entitled to Government Bonds as a consequence of death or bankruptcy (or like event) may, upon producing such evidence to that entitlement or status as the Registrar requires under the Regulations, become registered as the holder of the Government Bonds.

What happens when the investment matures?

At maturity, the principal will be repaid to the registered holder as specified by you on the TCV Application Form. Repayment at maturity is automatic. If your bank account details have not been provided, principal and interest will be paid by cheque to the postal address specified by you on the Application Form (unless updated by notification to the Registrar). Interest on your Bonds will cease at maturity.

TCV does not accept third party payment instructions (instructions to pay to an account in a name other than the registered holder).

The term of the investment and issue date

The term of investment in these Government Bonds is **not less than four years** and will not be greater than four years and thirty days from the issue date. The issue date is the date TCV receives the required investment amount in TCV's bank account with Westpac Banking Corporation and the date the Registrar has received and accepted all properly completed original documentation.

What will be the applicable interest rate?

The interest rate and maturity date will be determined by the Registrar on receipt of the required investment amount and the original completed documents. A current indicative rate and maturity date can be obtained by calling Treasury Corporation of Victoria direct in Melbourne on 61 3 9650 7577 or by visiting TCV's website at http://www.tcv.vic.gov.au/page/Individual_Investors/Investment_Rates. Any indicative interest rate obtained is an indication only and cannot be relied on as it is based on market prices for the Government Bonds at the time requested and can vary daily.

How will interest be paid?

Interest will be paid half yearly. The interest rate remains fixed at the applicable rate at lodgement until maturity. The first interest payment period is calculated on the basis of a 365 day year from the date the application monies are received in TCV's bank account with the Westpac Banking Corporation. Interest is payable up to, but not including the first interest payment date; thereafter, interest is paid in equal instalments in arrears.

Interest payments will be made in Australian dollars to the registered holder by direct credit to a nominated bank account in Australia or by cheque to a nominated postal address. Interest will be paid on the specified payment date except if that date falls on a day which is not a Melbourne business day, in which case payment is made on the next business day. The final interest payment on your Bonds will be paid with your principal on maturity.

Taxation

Taxation law changes frequently and we suggest you seek your own tax advice. TCV cannot give you tax information or advice.

Interest you earn on your Complying Investment will have withholding tax of 10% automatically deducted from it until you provide an Australian Tax File Number (TFN) or evidence of exemption status to TCV. For Australian residents, interest forms part of assessable income.

TFN legislation permits investment bodies to record TFN or exemption details provided by investors. Collection of TFN information is authorised and its use and disclosure is strictly regulated by the tax laws and the *Privacy Act*.

For joint holdings, if there are more than two holders, TFN details of only two are required. You should give details of those with a TFN rather than those who are exempt.

About allotment of Bonds

An incomplete or incorrect Application Form, or failure to deposit the full investment amount into TCV's bank account, may delay the processing of your application. TCV or the Registrar will make reasonable efforts to contact you if this occurs. Interest will not accrue on the investment amount until your application has been processed and accepted.

TCV or the Registrar reserves the right to reject or reduce any application. If your application is reduced or rejected, your money will be refunded without interest.

About confirmation of investment

A confirmation of investment will be issued by the Registrar as soon as possible on receipt and acceptance of:

- I. a letter from DIBP or VicDSDBI, asking you to make the investment and/or any forms required by DIBP;
- II. the required investment amount in TCV's bank account with Westpac Banking Corporation;
- III. the properly completed original TCV Application Form; and
- IV. the properly completed original TCV Transfer Form.

The confirmation of investment (certificate of inscription) is of no value for transfer purposes and is issued only as evidence of your investment in Government Bonds.

Privacy notification

TCV and the Registrar collect personal information from the TCV Application Form (such as your name, address, date of birth or country of origin, investment amount, tax, and bank account details) for the purpose of assessing your application and recording, administering, and making payments with regard to your investment, and to comply with TCV's obligations under the Anti-Money Laundering & Counter Terrorism Financing Act 2006 (AML/CTF). The Registrar or TCV may request additional information from you before providing you with the requested service.

The Borrowing and Investment Powers (Stock, Bonds and Debentures) 2007 Regulations require TCV, and its appointed Registrar, to cause this personal information to be entered in the Bonds Register TCV is required to maintain by those Regulations.

You may access, correct and update the personal information in the Bonds Register, or elect not to receive marketing material by contacting the Registrar. You may contact TCV for up-to-date contact details of the Registrar.

To ensure the integrity and safety of your personal information, the Registrar will only disclose such information to Bondholders if internal procedures are satisfied.

Depending on the nature of your request, the Registrar may ask you to complete a personal information request form.

The personal information you provide in the TCV Application Form or otherwise received by the Registrar in connection with your investment, may also be disclosed to:

- TCV;
- the Department of Immigration and Border Protection which is responsible for the administration of the Complying Investments scheme;
- regulatory bodies and government agencies, including, for example, the Australian Taxation Office, the Victorian Department of Planning and Community Development, AUSTRAC (the AML/CTF regulator), or a law enforcement agency;
- third parties (who may be located outside of Victoria and Australia) engaged by TCV to assist it to verify your identity and to comply with the AML/CTF laws;
- the Registrar's related bodies, corporate print service providers, mail houses in the provision of registry services, payments on your Bonds and for information mail outs; and
- your agent or representative.

If you do not provide the personal information required to complete the TCV Application Form, TCV and its Registry will not be able to process your application for Government Bonds.

Taping of telephone calls

TCV records telephone conversations relating to transactions or potential transactions undertaken with its clients and counterparties. This practice is common amongst financial institutions in Australia and the telephone conversations may or may not be accompanied by audible pips or beeps. Recordings may be used for the purpose of resolving disputes regarding the terms of any transaction. The Registrar records telephone conversations primarily for training purposes.

Part B: Application Instructions

Complying Investments

Once you have decided to invest in Government Bonds as a Complying Investment, you must complete the following instructions. If the steps are not completed in order, there may be delays in processing the forms and/or the application date of the investment.

Step 1 Complete the TCV Application Form and Transfer Form

If you wish to invest in Government Bonds, you need to complete the attached TCV Application Form (Part C) and the attached TCV Transfer Form (Part D).

TCV Application Form

Please check that you have completed the following:

- 1. Applicant details**
Complete details for all applicants, including residential and postal address details, for the Register and correspondence. If there is more than one applicant (up to four) please copy and complete Section 1 and Section 4 for each additional investor. Please tick Yes or No if the Applicant(s) is currently an Australian resident for taxation purposes and list a Tax File Number if applicable;
- 2. Agent or Representative details** (if the investor has appointed an agent or representative)
Please ensure that a copy of the authorisation to act on behalf of the investor is attached.
- 3. Investment details**
Include the amount you are applying for, details of the funds transfer and where you would like interest and principal paid on maturity
- 4. Identification documents**
Please do not send original documents. Send only certified copies. All foreign language documents must be translated by an accredited translator.
A list of persons who can certify documents can be found in the Appendix at the end of the form.
- 5.** Ensure all applicants sign and date the TCV Application Form.

TCV Transfer Form

Please check that you have completed the following on the 'TCV Transfer Form':

1. details of transferor(s); and
2. amount to be invested.

All applicants must sign the TCV Transfer Form.

Step 2 Confirm the transaction as set out below

Confirm the transaction by faxing the original or emailing a PDF version of the following documents to the Registrar at:

Fax: + 61 3 9473 2535

Email: tcv@computershare.com.au

1. The completed TCV Application Form and the TCV Transfer Form.
2. A letter from DIBP or VicDSDBI, asking you to make the investment and/or any forms required by DIBP.
3. A copy of any correspondence you have received specifying your category (including, if applicable, any sub-category) as either the Business Innovation and Investment (Provisional) (Subclass 188) visa and the Business Innovation and Investment (Permanent) (Subclass 888) visa.

Step 3 Post original forms to Registrar

You must then post the **completed original** TCV Application Form, TCV Transfer Form, identification documents and the letter from DIBP or VicDSDBI, asking you to make the investment and/or any forms required by DIBP, by express mail to:

Computershare Investor Services Pty Ltd

GPO Box 2867
Melbourne
Victoria
Australia 3001

DO NOT SEND ANY DOCUMENTS TO TCV'S HEAD OFFICE

Step 4 Deposit funds into TCV's account in Australia

You then need to arrange immediate deposit of the full investment amount in Australian dollars to:

Bank: Westpac Banking Corporation
360 Collins Street,
Melbourne VIC 3000
Account Name: TCV Inscribed Stock
Account No: 033-222 222021
Swift Code: WPACAU2S

There are no application fees or commissions to be paid by the investor and TCV will not pay brokerage on these Bonds. Please ensure your paying bank does not deduct any charges for transfer from the investment amount – **otherwise your application cannot be processed**. The investment amount received into TCV's bank account with Westpac Banking Corporation by bank transfer must be for the **full** amount of the

investment to proceed. Any fees relating to the bank transfer must be paid by you separately.

When lodging your deposit into the above TCV Inscribed Stock bank account, please provide your DIBP case file number or full name as the payee / beneficiary reference. This will enable the Registrar to match your deposit to your application form, ensuring your investment is processed without delay.

Step 5 Await confirmation of investment

On receipt of the investment amount and forms, the Registrar will issue a Confirmation of Investment to the Applicant(s).

The interest rate and maturity date will be determined by the Registrar on the date TCV receives the required investment amount and the Registrar receives and accepts the original completed documentation (the issue date).
