* Additional Terms applicable to the Floating Rate Securities

Condition 5.3(d) (*"Floating Rate Securities"*) applies as summarised in the paragraphs below (in replacement of the existing Condition 5.3(d)).

Defined terms have the meaning given to them in the Conditions, unless otherwise defined herein.

Condition 5.3 (d):

"If 'BBSW Rate Determination' is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Securities for each Interest Period is the sum of the Margin and the BBSW Rate. Each Holder of the Security shall be deemed to acknowledge, accept and agree to be bound by, and consents to, such determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case as described below (in all cases without the need for any consent of the Holder of the Security). Any determination of, substitution for and adjustments made to the BBSW Rate, as applicable, in each case described below will be binding on the Issuer, the Holder of the Security, the Note Trustee and each Agent.

In this Condition 5.3(d), "**BBSW Rate**" means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the "AVG MID" on the Refinitiv Screen BBSW Page (or any designation which replaces that designation on that page, or any replacement page) at approximately 10.30 am (or such other time at which such rate customarily appears on that page, including, if corrected, as recalculated and republished by the relevant administrator) on the first day of that Interest Period.

However, if:

- (a) such rate does not appear on the relevant page (or any replacement page) by the relevant time on that day (or such other time that is 15 minutes after the then prevailing time), or if it does appear but the Calculation Agent determines that there is an obvious error in that rate ("Temporary Cessation"); or
- (b) a Discontinuation Event (as defined below) has occurred;

then BBSW Rate for that Interest Period means (in the following order of application):

- (i) If a Temporary Cessation Event has occurred with the BBSW Rate, in the following order of precedence: the BBSW Administrator Recommended Rate, but if such rate cannot be determined, the BBSW Supervisor Recommended Rate, and if such rate cannot be determined the BBSW Calculation Agent Rate, and if such rate cannot be determined the Final Fallback Rate.
- (ii) If a Discontinuation Event has occurred with respect to the BBSW Rate, in the following order of precedence: the AONIA Rate but if such rate cannot be determined, the RBA Recommended Rate and if such rate cannot be determined, the Final Fallback Rate.

For these purposes:

- (a) "Discontinuation Event" means, in respect of the BBSW Rate:
 - the BBSW Rate ceases to be published for a period of at least five Business Days or otherwise ceases to exist;
 - a public statement by the administrator of the BBSW Rate that it has ceased or that it will cease publishing the BBSW Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the BBSW Rate);
 - (iii) a public statement by the supervisor of the administrator of the BBSW Rate, that the BBSW Rate has been or will be permanently or indefinitely discontinued;
 - (iv) a public statement by the supervisor of the administrator of the BBSW Rate as a consequence of which the BBSW Rate will be prohibited from being used either generally, or in respect of the Securities;
 - a public statement by the supervisor of the administrator of the BBSW Rate that the BBSW Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market; or
 - (vi) it has become unlawful for any Calculation Agent, the Issuer or other party to calculate any payments due to be made to any Holder using the BBSW Rate,

provided that a Discontinuation Event shall be deemed to occur:

- a. in the case of sub-paragraphs (ii) and (iii) above, on the date of the cessation of publication of the BBSW Rate or the discontinuation of the BBSW Rate, as the case may be;
- b. in the case of sub-paragraph (iv) above, on the date of the prohibition of use of the BBSW Rate; or
- c. in the case of sub-paragraph (v) above, on the date with effect from which the BBSW Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and,
- in each case, not the date of the relevant public statement.
- (b) **"AONIA Rate**" means the Interest Rate applicable to the Floating Rate Securities for each Interest Period will be Compounded Daily AONIA plus the Adjustment Spread.
- (c) "Adjustment Spread" means such adjustment spread (which may be a positive or negative value or zero) that is customarily applied to the AONIA Rate to produce an industry-accepted replacement rate for BBSW Rate-linked floating rate Securities at such time, or, if no such industry standard is recognised or acknowledged, the method for calculating or determining such adjustment spread determined by the Calculation Agent to be appropriate or, if the Calculation Agent is unable to determine the quantum of, or a formula or methodology for determining, such adjustment spread, then determined by the Issuer (or any alternative financial institution appointed by the Issuer) acting in good faith and in a commercially reasonable manner;
- (d) "AONIA" means the Reserve Bank of Australia Interbank Overnight Cash Rate;
- (e) "AONIA Observation Period" means the period from (and including) the date falling three Business Days prior to the first day of the relevant Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on (but excluding) the date falling three Business Days prior to end of such Interest Period (or the date falling three Business Days prior to such earlier date, if any, on which the Securities become due and payable);
- (f) "BBSW Administrator Recommended Rate" means a rate formally recommended for use by the administrator of BBSW.
- (g) "BBSW Supervisor Recommended Rate" means a rate formally recommended for use by the Australian Securities and Investment Commission (or any successor to the Australian Securities and Investment Commission carrying out the role as supervisor of BBSW)
- (h) "BBSW Calculation Agent Rate" means the rate determined by the Calculation Agent as a commercially reasonable alternative for BBSW taking into account any rate implemented by central counterparties and / or futures exchanges, in each case with trade volumes in derivatives of futures referencing BBSW that the Calculation Agent considers sufficient for that rate to be a representative rate.
- (i) "Compounded Daily AONIA" means, with respect to an Interest Period, the rate of return of a daily compound interest investment during the AONIA Observation Period corresponding to such Interest Period (with daily AONIA as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.0005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{AONIA_{i-3 SBD} \times n_i}{365}\right) - 1\right] \times \frac{365}{d}$$

where:
