About this publication

This publication was last revised in May 2019. It comprises 5 sections:

Section 1.0:	Investing in Victorian Government Bonds as Designated Investments
Section 2.0:	Terms and Conditions
Section 3.0:	Application Instructions
Section 4.0:	TCV Application Form
Section 5.0:	TCV Transfer Form

1.0 Investing in Victorian Government Bonds as Designated Investments

Victorian Government Bonds are issued by the Treasury Corporation of Victoria as Designated Investments under the Investor Retirement and Business Innovation and Investment visa categories of the Department of Home Affairs (Home Affairs), where applications have been lodged with Home Affairs.

Please read this publication carefully before applying for Victorian Government Bonds as a Designated Investment and keep Section 2.0 and Section 3.0 for future reference.

If you wish to proceed with an investment in Victorian Government Bonds, you will need to complete the enclosed Section 4.0 - TCV Application Form and Section 5.0 - TCV Transfer Form as instructed. We suggest you keep a copy of both forms once completed.

This publication is for applicants who applied for the following visas with Home Affairs:

- Business Innovation and Investment (Provisional) visa (subclass 188) – Investor Stream
- Investor Retirement visa (subclass 405)

This publication is not intended to be a prospectus or other disclosure document for the purposes of the *Corporations Act 2001* (Cth) and is not intended to be and does not constitute an invitation by TCV for applications to subscribe for or buy any Victorian Government Bonds or offer any Victorian Government Bonds for subscription or purchase.

This publication may not be distributed by anyone in any jurisdiction in which such distribution is not authorised.

In particular, this publication will not be registered under the US Securities Act of 1933 and may not be offered, sold or resold within the United States or to, or for the account or benefit of, US Persons (as defined in Regulation S under the Securities Act) unless in accordance with an appropriate exemption under US law. Your access to this publication is on the condition that you are not a resident of the US or located in the US and that you are not breaching any laws, rules, directives, regulations or any other restrictions in any jurisdiction and, in particular, the restrictions in relation to the United States.

This publication is not to be used for the Business Innovation and Investment (Provisional) visa (subclass 188) Significant Investor Stream and the Business Innovation and Investment (Permanent) visa (subclass 888) Significant Investor Stream.

2.0 Terms and Conditions

2.1 Treasury Corporation of Victoria & the Registry

Treasury Corporation of Victoria (**TCV**) was established as a statutory authority under the *Treasury Corporation of Victoria Act 1992* and began operating on 1 January 1993. TCV is the central authority for the issuance of all Government guaranteed debt in the State of Victoria.

The Bonds Registry is currently kept for TCV by Computershare Investor Services Pty Ltd (**Registrar**) at 452 Johnston Street, Abbotsford, Victoria. The Registry is evidence of ownership of the Bonds. Inspection of the Registry is available during usual office hours. Inspection rights are limited to your own holdings.

2.2 Victorian Government Bonds

Victorian Government Bonds are Inscribed Stock issued by TCV under the Borrowing and Investment Powers Act 1987 and are governed by the *Borrowing and Investment Powers (Stock, Bonds and Debentures) Regulations 2007 (Regulations)*. Each Bond is a direct debt obligation of TCV. With Victorian Government Bonds, payment of your interest and repayment of your principal investment upon maturity is guaranteed by the Government of Victoria.

2.3 Investing in Victorian Government Bonds

2.3.1 Designated Investments

Victorian Government Bonds are Designated Investments issued by TCV having met the specification published by the Minister for Immigration and Border Protection in the Gazette under Regulation 5.19A of the Migration Regulations 1994 (Cth). You can only apply for Bonds after you have been advised in writing to do so by the Home Affairs office processing your application for migration/residence. Special conditions apply to Designated Investments.

You should obtain and read the relevant information from Home Affairs. It is important to note that immigration law changes frequently and it is your responsibility to get the latest information from Home Affairs. TCV **cannot** provide you with any immigration information or advice.

A prospective migrant with questions about migration/residence should:

- call 131 881 (within Australia); or
- go to the website <https://www.homeaffairs.gov.au/trav/visa-1/188->

If you have questions about Victorian Government state nomination, you should go to the website <https://liveinmelbourne.vic.gov.au/>

If you want your Victorian Government Bonds to qualify as a Designated Investment, you must follow the steps described in Section 3.0 - Application Instructions. On receipt and acceptance of all documents, the Registrar will issue a Confirmation of Investment to the Applicant(s) and forward a copy of the Confirmation of Investment together with the completed Home Affairs forms to the relevant Home Affairs office that has processed your visa application.

TCV **cannot** provide investment advice to you. This publication is not intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by TCV or the Victorian Government that any recipient of this publication should purchase the Victorian Government Bonds.

You should seek qualified independent investment advice before making an investment.

Persons intending to purchase Victorian Government Bonds should:

- determine for themselves the relevance of the information contained in this Information Booklet and their interest in purchasing the Victorian Government Bonds should be based upon such investigations, as they consider necessary; and
- consult their own tax advisers concerning the application of any tax laws applicable to their particular situation.

2.3.2 Who can invest in Victorian Government Bonds?

Victorian Government Bonds may be inscribed in the names of up to two persons. A holding inscribed in more than one name will be held by those persons as joint owners. However, the first person named on the TCV Application Form will be the recipient of any interest payments and principal repayments and the recipient of other documents, unless the Registrar is instructed to pay or correspond in joint names.

The primary applicant on the visa application with Home Affairs, whose name appears on the Invitation Letter and Form 1031, must be the first person named on the TCV Application Transfer Forms.

It is a condition of investing in Victorian Government Bonds that you hold a qualifying visa (Business Innovation and Investment (Provisional) visa (subclass 188) Investor Stream or Investor Retirement (subclass 405) visa).

If your visa is cancelled by Home Affairs or you cease to hold the visa for any reason, TCV will cancel your Victorian Government Bond and pay the proceeds to you.

All applicants must sign the Application personally and be aged 18 years or more at the date of application. TCV does not accept applications for Victorian Government Bonds from companies or trusts.

2.3.3 Source of investment funds & minimum investment

To qualify as a Designated Investment, it is a Home Affairs requirement that funds used to finance your Victorian Government Bond must be personally owned, unencumbered and must have been accumulated legally as a result of your business and/or investment activities.

The Home Affairs office processing your visa application will advise you in writing of the minimum amount you need to invest in Victorian Government Bonds in order for the investment to qualify as a Designated Investment.

The following conditions apply to your investment:

- the investment amount received by TCV must satisfy the minimum amount specified by Home Affairs
- your investment cannot be processed if the full investment amount is not received into TCV's bank account.

Ensure you pay any fees relating to the bank transfer separately and your paying bank does not deduct any charges from the investment amount

- there are no application fees or commissions to be paid to TCV by the investor
- TCV will not pay brokerage on your Victorian Government Bond
- the bank account(s) used to transfer funds to the TCV bank account **must match** the bank account name and account number details provided on your application form.

Use of another bank account(s) not disclosed on your application form may result in TCV **rejecting** your application.

- TCV may request certified evidence of your funds transfer
- TCV **does not** accept funds sent from a remittance agent not registered with AUSTRAC
- the total investment amount must **not** be transferred in more than **5** separate transactions
- excess funds will be returned to an Australian bank account.

Where an Australian bank account is not provided for payment of principal and interest any excess funds will be returned. TCV does not return excess funds under \$20.00 by cheque.

2.3.4 Investment term & issue date

The term of an investment in a Victorian Government Bond is **four years** from the issue date.

The issue date is set on the date TCV accepts both the investor's application and the deposited investment funds in TCV's bank account and instructs the Registrar to issue the bond.

2.3.5 Investment interest rate

The interest rate on your investment will be determined based on current market interest rates on the issue date.

A current indicative rate and maturity date can be obtained by contacting the Registrar (refer to section 1.2 for details).

Any indicative interest rate obtained is an indication only and cannot be relied on as it is based on market prices for Victorian Government Bonds at the time requested and can vary daily.

The following conditions apply to the payment of interest:

- interest will be paid half yearly in arrears
- the interest rate remains fixed until maturity date
- interest will be paid on the specified payment date except if that date falls on a day which is not a Melbourne business day, in which case payment is made on the next business day
- the final interest payment on your Bonds will be paid with your principal on maturity.

2.3.6 Investment principal & interest payments

The following conditions apply to the payment of principal and interest:

- all payments of principal and interest will be made in Australian dollars to the registered holder by direct credit to a nominated Australian bank account. Do not provide a bank term deposit account.
- TCV does not accept third party payment instructions to pay to an account in a name other than the registered holder
- if your Australian bank account details are not provided, principal and interest will be paid by cheque to your postal address provided on your application form
- notify the Registrar of any change of address or banking details
- at maturity the principal will be repaid to the registered holder as specified by you on the TCV Application Form. Repayment at maturity is automatic. Interest on your Bonds will cease at maturity
- Any payments which are unclaimed after 12 months are sent to the Victorian State Revenue Office as unclaimed money. For information about how to search for and claim unclaimed money, visit the Victorian State Revenue Office website.

2.3.7 Confirmation of investment

A confirmation of investment will be issued by the Registrar as soon as possible on receipt and acceptance of:

- a letter from Home Affairs asking you to make the investment and/or any forms required by Home Affairs (e.g. Form 1031)
- the required investment amount in TCV's bank account
- the properly completed original TCV Application Form, and
- the properly completed TCV Transfer Form.

An incomplete or incorrect Application Form, or failure to deposit the full investment amount (in no more than 5 separate deposits) into TCV's bank account, may delay the processing of your application. TCV or the Registrar will make reasonable efforts to contact you if this occurs.

The confirmation of investment (Certificate of Inscription) is of no value for transfer purposes and is issued only as evidence of your investment in Victorian Government Bonds.

2.4 Transfers

The Migration Regulations require Designated Investments to be non-transferable and non-redeemable until maturity. It is a requirement that you must remain as the holder of the Victorian Government Bond for the term of the Victorian Government Bond and will not be permitted to transfer your Victorian Government Bond before maturity.

To satisfy Migration Regulations:

- complete the transferor details of the Transfer Form and return it signed and witnessed with the Application Form
- the Registrar will mark the Transfer Form in your name(s), and retain the Transfer Form till the maturity date of the Bond
- the Transferee details of the Transfer Form is completed by TCV to restrict any transfer of the Bonds.

A person becoming entitled to a Victorian Government Bond as a consequence of death or bankruptcy (or like event) may, upon producing such evidence to that entitlement or status as the Registrar requires under the Regulations, become registered as the holder of the Victorian Government Bond.

2.5 Rejection or reduction of your investment

TCV or the Registrar reserves the right to reject or reduce any application. If your application is reduced or rejected, your original principal investment will be refunded without interest.

It is a condition of your Victorian Government Bond that you hold a visa. In the event Home Affairs refuse to issue, refuse to extend or cancel your visa TCV will buyback your Victorian Government Bond and return the funds.

The terms on which TCV will cancel and buyback a bond and how TCV determines a buyback price are detailed in the following section.

2.6 Withdrawals before maturity

2.6.1 Conditions of withdrawing your investment before maturity

To qualify as a Designated Investment, it is a requirement that Victorian Government Bonds must be non-transferable and non-redeemable. You will not be permitted to withdraw all or part of your Victorian Government Bond before maturity. Your visa can be **cancelled** if the funds are withdrawn from the Bonds before the four-year term expires.

In **exceptional circumstances** TCV may agree to repurchase your Victorian Government Bond. However, to avoid your visa being cancelled, you should first consult with Home Affairs.

For a Victorian Government Bond buyback:

- you can withdraw after the date of the **second** interest payment to you
- you must withdraw the full amount of your investment
- after withdrawing your investment, you will **no longer** be eligible to reinvest in Victorian Government Bonds as a Designated Investment.

The price which TCV will buy back your Victorian Government Bond is determined by using the Reserve Bank of Australia bond pricing formula.

In summary, the buy-back price is based on:

- the initial invested amount of the Victorian Government Bond being bought back
- the Maturity Date of the Victorian Government Bond being bought back
- the Interest Rate applicable to the Victorian Government Bond being bought back
- the prevailing market interest rates at the time the Victorian Government Bond is being bought back.

This means that the price which we will buy back the Victorian Government Bond under this buy back offer may be more or less than the amount of your original investment.

For example, the amount received on a buy back may be:

- less than the original principal investment (a loss) where the prevailing interest rates at the time of the buy-back are higher than the interest rate which is payable on the Victorian Government Bond being bought back; or
- greater than the original principal investment (a gain) where the prevailing interest rates at the time of the buy-back are lower than the interest rate which is payable on the Victorian Government Bond being bought back.

This gain or loss may have tax implications for you.

2.6.2 Steps to withdraw your investment before maturity

The following steps must be taken to withdraw your investment before maturity:

Step 1.

Contact the Registrar to seek approval from TCV to buy back your Victorian Government Bond.

Step 2.

Obtain a quote for the buy back of your Victorian Government Bond by contacting the Registrar (refer 1.2 Enquiries).

Ensure you have all the details of the Victorian Government Bond you wish to sell back to TCV (i.e. Investor Number and Loan Number).

Step 3.

After obtaining a quote, if you wish to proceed with the buy back, complete a Sale Form and send it to the Registrar.

The Sale Form must be lodged with the Registrar at least 8 days before the next specified interest payment date.

2.7 Taxation

Taxation law changes frequently and we suggest you seek your own tax advice. TCV cannot give you tax information or advice.

Interest you earn on your Designated Investment will have withholding tax of 10% automatically deducted from it until you provide an Australian Tax File Number (**TFN**) for each investor listed on the bond or evidence of exemption status to TCV. For Australian residents, interest forms part of assessable income.

TFN legislation permits investment bodies to record TFN or exemption details provided by investors. Collection of TFN information is authorised and its use and disclosure is strictly regulated by the tax laws and the *Privacy Act 1988*.

2.8 Privacy notification

TCV and the Registrar collect personal information from the TCV Application Form (such as your name, address, date of birth, country of origin, career history, investment amount, tax, and bank account details) for the purpose of assessing your application and recording, administering, and making payments with regard to your investment, and to comply with TCV's obligations under the Anti-Money Laundering & Counter Terrorism Financing Act 2006 (AMLCTF). The Registrar or TCV may request additional information from you before providing you with the requested service.

TCV manages this information in accordance with the Information and Privacy Principles contained in the *Privacy and Data Protection Act 2014*. A copy of TCV's Privacy Policy is available at www.tcv.vic.gov.au.

TCV is required to enter this personal information in the Bonds Register. You may access, correct and update the personal information in the Bonds Register, or elect not to receive marketing material by contacting the Registrar. You may contact TCV for up-to-date contact details of the Registrar.

To ensure the integrity and safety of your personal information, the Registrar will only disclose such information to Bondholders if internal procedures are satisfied. Depending on the nature of your request, the Registrar may ask you to complete a personal information request form.

The personal information you provide in the TCV Application Form or otherwise received by the Registrar in connection with your investment, may also be disclosed to:

- TCV
- the Department of Home Affairs which is responsible for the administration of the Designated Investments scheme
- regulatory bodies and government agencies, including, for example, the Australian Taxation Office, the Victorian Department of Jobs, Precincts and Regions, AUSTRAC (the AMLCTF regulator), or a law enforcement agency
- third parties (who may be located outside of Victoria and Australia) engaged by TCV to assist it to verify your identity and to comply with the AMLCTF laws
- the Registrar's related bodies, corporate print service providers, mail houses in the provision of registry services, payments on your Bonds and for information mail outs; and
- your agent or representative.

If you do not provide the personal information required to complete the TCV Application Form, TCV and its Registry will not be able to process your application for Victorian Government Bonds.

2.9 Taping of telephone calls

TCV records telephone conversations relating to transactions or potential transactions undertaken with its clients and counterparties. This practice is common amongst financial institutions in Australia and the telephone conversations may or may not be accompanied by audible pips or beeps. Recordings may be used for the purpose of resolving disputes regarding the terms of any transaction. The Registrar also records telephone conversations, primarily for training purposes.

3.0 Application Instructions
