

Appointment of Chief Executive & Managing Director, Treasury Corporation of Victoria (TCV)

21 December 2022

The TCV Board is delighted to announce the appointment of Mr Michael Larkin as our new Chief Executive and Managing Director following the retirement of our longstanding Managing Director, Bill Whitford.

Quote from Cassandra Kelly, Chair of TCV:

'We have been extremely fortunate to have the leadership and commitment of Bill Whitford for nearly two decades and we all wish him well in his retirement. In finding the next leader of the organisation, we carried out an extensive search and were delighted to find Michael Larkin. Michael brings extensive experience in financial markets and debt management, along with the commercial experience necessary to lead an organisation of the significance of TCV.'

'We look forward to his leadership as we support the funding requirements of the Government and our broader customer base'.

Cassandra Kelly, TCV Chair
